A MESSAGE FROM
Pastor Bob

www.fbcwf.org/socialmedia

The Lord moved in powerful ways during our camps this summer. We took over 300 sixth through twelfth graders to camp this summer. That is the best number we have taken in nearly over five years. The students had a great time at both camps. But the highlight was certainly seeing thirty (30) students give their lives to Christ. Thirty students were saved! In addition to that we had twelve students surrender to ministry or missions. God truly moved at camp.

About two years ago, I became convinced that we needed to call out those who are called to ministry. The student ministry staff and I agreed that we would begin telling our stories of being called to ministry. We would trust the Holy Spirit to use our testimony and call out students to surrender their plans and serve the Lord wherever He leads.

God has answered our prayers. He is raising up a generation. Many of you wore a wristband with the name of a student or leader. I know that you prayed for them all week. You were a part of this great victory as God moved in response to the prayers of His people. Thank you for your support of our students. Now we are praying for our SL4Kids camp that is coming up soon.

Bob McCartney
Senior Pastor
